In re Patent Application of

Confirmation No.: 8075

HYMAN

Atty. Ref.: 4481-6

Appln. No. 10/799,638

T. C. / Art Unit: 1645

Filed: March 15, 2004

Examiner: Not Known

FOR: METHOD FOR PLASMID PREPARATION BY CONVERSION OF OPEN
CIRCULAR PLASMID TO SUPERCOILED PLASMID

INFORMATION DISCLOSURE STATEMENT

June 7, 2004

Mail Stop Amendment

U.S. Patent and Trademark Office

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

Attached are Forms PTO-1449 listing the enclosed documents.

This Information Disclosure Statement (IDS) is intended to be in full compliance with the rules, but should the Examiner find any part of its required content to have been omitted, prompt notice to that effect is earnestly solicited, along with additional time under 37 CFR § 1.97(f), to enable Applicants to comply fully. In particular, if any of the listed documents are missing or incomplete, please contact the undersigned who will provide another copy.

As provided by 37 CFR §§ 1.97(g) and (h), no inference should be made that this information and the listed references are prior art merely because they have been submitted for consideration. Furthermore, no representation is being made that a search

has been conducted or that this statement encompasses all possible material information.

Consideration of the foregoing and enclosures, as well as the return of a copy of the Form PTO-1449 with the Examiner's initials per MPEP § 609, are earnestly solicited. The Examiner is invited to contact the undersigned if any further information is needed.

Respectfully submitted,

NIXON & VANDERHYE P.C.
